- 22. INFORMATION AND OTHER INSTRUCTIONS RELATING TO E-VOTING ARE AS UNDER:**
- a. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. The Company has engaged the services of Central Depository Services Limited ("CDSL") as the Agency to provide e-voting facility. The facility of casting votes by a member using remote e-voting system as well as e-voting on the date of the AGM will be provided by CDSL.
 - b. The Board of Directors of the Company has appointed M/s. B.R. Gupta & Co, Practicing Company Secretary (COP No. 20863) as the Scrutinizer, to scrutinize the e-voting and remote e-voting process in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for same purpose.
 - c. Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. 22nd September, 2021.

SHREE GLOBAL TRADEFIN LIMITED

- d. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e 22nd September, 2021 only shall be entitled to cast their vote either through remote e-voting or through E-voting at the AGM.
- e. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.sgtl.in and on the website of CDSL after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be forwarded to the BSE Limited.
- f. Subject to receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting, i.e. 29th September, 2021.
- g. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently or cast the vote again.
- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting **for Individual shareholders holding securities in Demat mode** is given below:

The Instructions for Members for Remote E-Voting are as under: -

- i. The voting period begins on Saturday, 25th September, 2021 at 09.00 a.m. (IST) and ends on Tuesday, 28th September, 2021 at 5.00 p.m. (IST). During this period, shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. 22nd September, 2021 may cast their vote electronically. The E-Voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders 'resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“the Act”)

The following Statement sets out all material facts relating to the Ordinary and Special Business mentioned in the accompanying Notice:

Item No.4

M/s Todarwal & Todarwal, (Firm’s Registration No.111009W), Chartered Accountants (CAs), Mumbai was appointed as the statutory auditors of the Company at the Annual General Meeting (AGM) of the Company held on 29th September, 2016 for a term of 5 years from the 30th Annual General Meeting till the conclusion of the 35th Annual General Meeting to be held in the year 2021. M/s Todarwal & Todarwal converted itself into a Limited Liability Partnership (LLP) under the provisions of the Limited Liability Partnership Act, 2008 and is now known as M/s Todarwal & Todarwal LLP with effect from 14th July, 2017. In terms of the Ministry of Corporate Affairs, Government of India, General Circular No. 9/2013 dated April 30, 2013, if a Firm of CAs, being an auditor in a Company, is converted into an LLP, then such an LLP would be deemed to be the auditor of the said Company. The Board of Directors of the Company has taken due note of this change. Accordingly, the audit of the Company for Financial year 2017-18, 2018-19 and 2019-20 was conducted by M/s Todarwal & Todarwal LLP.

As per the provisions of Section 139 of the Act, no listed company can appoint or reappoint an audit Firm as auditor for more than two terms of five consecutive years. In view of the above, M/s Todarwal & Todarwal LLP, being eligible for re-appointment and based on the recommendation of the Audit Committee, the Board of Directors has, at its meeting held on 28th June, 2021, proposed the appointment of M/s Todarwal & Todarwal LLP as the statutory auditors of the Company for a period of five years from the conclusion of 35th Annual General Meeting till the conclusion of the 40th fortieth Annual General Meeting of the Company to be held in the year 2026.

M/s. Todarwal & Todarwal LLP, Chartered Accountants, have consented to the aforesaid appointment and confirmed that their appointment, if made, will be within the limits specified under Section 141(3)(g) of the Companies Act, 2013. They have further confirmed that they are not disqualified to be appointed as the Statutory Auditors in terms of the Companies Act, 2013 and the rules made thereunder.

The proposed fees payable to the auditor is ₹ 1,50,000/-

Board recommends passing of Ordinary **Resolution** under item No. 04 of the Notice for your approval.

None of the Directors or Key Managerial Personnel or their respective relatives are concerned or interested in the Resolution at Item No. 4 of the Notice.

Item No. 5

Section 180(1)(a) of the Companies Act, 2013 (“the Act”), provides that the Board of Directors of a company shall not except with the consent of the Company in General Meeting, by way of Special Resolution, sell, lease or otherwise dispose of the whole, or substantially the whole, of the undertaking of the Company. Explanation of “undertaking” for the purpose of Section 180(1)(a) of the Act, shall mean an undertaking in which the investment of the company exceeds twenty percent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty percent of the total income of the company during the previous financial year.

The members of the Company by way of special resolution passed on 14th January, 2015 through postal ballot/e-voting had authorised the Board of Directors to mortgage and/or to create charge in any manner, on all or any of the immovable and/or moveable assets from time to time provided that the total amount shall not at any point of time exceed the limit of ₹ 2,000 Crores.

However the aforesaid special resolution does not authorize the Board of Directors to sell, dispose of, assign, transfer, the undertakings, assets, property etc. of the Company.

Hence the Board of Directors in its meeting held on 28th June, 2021 subject to the approval of shareholders in the general meeting accorded consent for sell, lease, dispose of, assign, transfer, create charge and/or mortgage all or

any of the immovable and movable property of the Company wheresoever situated, present & future, and the whole of the undertaking of the Company in favor of Banks, Debenture Trustees, Firms, Bodies Corporate, LLPs, Financial Institutions, NBFCs, Insurance Companies, Mutual Funds, Trusts, Investment Institutions, any other persons or any other lenders, for a sum of money not exceeding ₹ 2,000 Crores.

The proposal outlined above is in the interest of the Company and Board recommends passing of **Special Resolution** under item No. 05 of the Notice for your approval.

None of the Directors and Key Managerial Personnel of the Company is concerned or interested in the said resolution except to the extent of their shareholding, if any.

Item No. 6

Vide Companies (Amendment) Act, 2017, Section 185 of the Companies Act, 2013 has been amended and the same was notified by the Ministry of Corporate Affairs on 7th May, 2018. In terms of the amended Section 185 of the Companies Act, 2013 a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the Director of the Company is interested subject to the condition that approval of the shareholders of the Company is obtained by way of Special Resolution and requisite disclosures are made in the Explanatory Statement.

In view of the above; and as an abundant caution, the Board at its meeting held on 28th June, 2021 decided to seek approval

of the shareholders pursuant to the amended provisions of Section 185 of the Companies Act, 2013 to advance any loan including any loan represented by book debt, or give guarantee or provide any security in connection with any loans / debentures /bonds etc. raised by any entity/ Company/ Body(ies) Corporate/LLP, subsidiary, associate and joint venture of the Company in whom any of the Director of the Company is interested up to an aggregate amount not exceeding ₹ 250 Crores (Rupees Two Hundred and Fifty Crores Only). This will also enable the Company to provide the requisite corporate guarantee or security in relation to raising of loans / debentures / bonds etc. by the said subsidiary (ies) / associates / JV Companies /body corporates, as and when it is raised.

None of the Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested in the resolutions except to the extent of their shareholding in the Company, if any.

The Board recommends passing of **Special Resolution** under item No. 6 of the Notice for your approval.

INDEPENDENT AUDITOR'S REPORT

To The Members of M/s Shree Global Tradefin Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS Financial Statements of **M/S Shree Global Tradefin Limited ("the Company")**, which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and Notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance Report but does not include the Standalone Financial Statements and our auditor’s report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company’s financial reporting process.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Auditor’s Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

SHREE GLOBAL TRADEFIN LIMITED

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Company has no branch office and hence the company is not required to conduct audit under section 143 (8) of the Act;
 - d) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash flow statement, and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - e) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).
 - f) On the basis of the written representations received from the directors as on 31st March 2021 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the operating effectiveness of the Company's Internal Financial Controls over Financial Reporting; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us (as amended):
 - i. The Company has disclosed the impact of pending litigations on its financial position as per the Notes to the Financial Statement. (Refer Note 32 of the Standalone Financial Statement.)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company is not required to transfer any amount to the Investor Education and Protection Fund by the Company.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act 2013, we give in the 'Annexure B', a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure – A to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****Opinion**

We have audited the internal financial controls over financial reporting of **M/s Shree Global Tradefin Limited ("the Company")** as of 31st March, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls were operating effectively as at 31st March, 2021, based on the internal financial controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial

control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records reflecting in the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Standalone Financial Statements for the year ended 31st March 2021.

1. Background

Shree Global Tradefin Limited was incorporated in 1986 having its registered office at 35, Ashok Chambers, Broach Street, Devji Ratansey Marg, Masjid Bunder, Mumbai 400009. The Company is engaged into the trading of iron and steel.

2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of Compliance/Adoption of Adoption of Ind AS

In accordance with the notification issued by the ministry of corporate affairs, the company has adopted Indian Accounting Standards (referred to as "Ind-AS") notified under the Companies (Indian Accounting Standards Rules, 2015 with effect from April 1, 2017 previous period have been restated to Ind-AS.

For all periods up to and including the year ended 31st March 2017, the Company prepared its Standalone financial statements in accordance with requirements of the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP").

These Standalone Financial Statements have been prepared in accordance with Ind-AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

b) Basis of preparation

i. Compliance with Ind AS:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31 March 2017 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

ii. Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value, wherever applicable;
- Defined benefit plans – plan assets measured at fair value;

c) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company has identified Managing Director and Chief Financial Officer as chief operating decision maker. Refer note 29 for segment information presented.

d) Foreign currency transaction

i) Functional and presentation currency: Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian National rupee (₹), which is the Company's functional and presentation currency.

ii) Transactions and balances: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Exchange differences arising from foreign currency fluctuations are dealt with on the date of payment/receipt. Assets and Liabilities related to foreign currency transactions remaining unsettled at the end of the period/year are translated at the period/ year end rate. The exchange difference is credited / charged to Profit & Loss Account in case of revenue items and capital items.

Forward exchange contracts entered into, to hedge foreign currency risk of an existing asset/ liability. The premium or discount arising at the inception of forward exchange contract is amortised and recognized as an expense/ income over the life of the contract. Exchange differences on such contracts, except the contracts which are long-term foreign currency monetary items, are recognized in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognized as income or as expense for the period.

e) Revenue Recognition

The company recognizes revenue in accordance with Ind- AS 115. Revenue is recognized when a customer obtains control of goods or services and thus has the ability to direct the use and obtained the benefits of the goods or services. Any advance received against supply of the goods and services is recognized under the head current liabilities, sub head trade and other payable.

SHREE GLOBAL TRADEFIN LIMITED

Ind -AS 115 was issued on March 28, 2018 and establishes a five step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognized at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS.

Sale of products:

Revenue from the sale of manufactured and traded goods is recognized when the goods are delivered and titles have been passed, significant risks transferred, effective control over the goods no longer exists with the company, amount of revenue / costs in respect of the transactions can reliably be measured and probable economic benefits associated with the transactions will flow to the company.

Measurement of revenue:

Revenue from sales is based on the price specified in the sales contracts, net of all discounts and returns at the time of sale.

Other Revenue

1) Customs duty

Customs duty/incentive entitlement eligible is accounted on accrual basis. Accordingly, import duty benefits against exports effected during the year are accounted on estimate basis as incentive till the end of the year in respect of duty free imports of raw material yet to be made.

2) Interest income

Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.

3) Other Income/ Miscellaneous Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

f) Government grants

Grants from the government are recognized at fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognized in the profit or loss over the period necessary to match them with the costs they are intended to compensate and presented within other income.

g) Income tax

Income tax expenses comprise current tax expense and the net changes in the deferred tax asset or liability during the year. Current & deferred taxes are recognized in the statement of Profit & Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current & deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

(a) Current income tax

Income tax expense is the aggregate amount of Current tax. Current tax is the amount of income tax determined to be payable in respect of taxable income for an accounting period or computed on the basis of the provisions of Section 115JB of Income Tax Act, 1961 by way of minimum alternate tax at the prescribed percentage on the adjusted book profits of a year, when Income Tax Liability under the normal method of tax payable basis works out either a lower amount or nil amount compared to the tax liability u/s 115JA

(b) Deferred Tax

Deferred tax liabilities are recognized for all taxable temporary differences in accordance with Ind-AS 12. Deferred tax assets are recognized to the extent it is probable that taxable profit will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax asset is reviewed at each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply in the year when the assets are realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

h) Leases

The Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding

rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate.

Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to Statement of profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

i) Impairment of assets

Property plant and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverable amount of assets to be held and used is the higher of fair value less cost of disposal or value in use as envisaged in Ind-AS 36. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the recoverable value of the asset. Impairment loss is recognized in the statement of profit and loss except for properties previously revalued with revaluation taken to other comprehensive income. For such properties impairment loss is recognized in other comprehensive income up to the amount of any previous revaluation.

j) Inventories

The general practice adopted by the company for valuation of inventory is as under:-

i	Raw Materials	At lower of cost and net realizable value
ii	Stores and spares	At cost
iii	Work-in-process/ semi-finished goods	At material cost plus labour and other appropriate portion of production and administrative overheads and depreciation
iv	Finished Goods/ Traded Goods	At lower of cost and market value
v	Finished Goods at the end of trial run	At net realizable value
vi	Scrap material	At net realizable value
vii	Tools and equipments	At lower of cost and disposable value

**Material and other supplies held for use in the production of the inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.*

k) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

l) Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment.

m) Investments and other financial assets

a) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in Statement of profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

b) Measurement

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets

SHREE GLOBAL TRADEFIN LIMITED

carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on debt investment that is subsequently measured at fair value through profit or loss is recognized in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments:

The Company subsequently measures all equity investments at fair value. Where the company's

management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in the other income. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 27 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

d) De-recognition of financial assets

Financial asset is derecognized only when:

- The Company has transferred the rights to receive cash flow from the financial asset or
- retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is

continued to be recognized to the extent of continuing involvement in the financial asset.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its Investments and other financial assets recognized as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the Investments and other financial assets

n) Income recognition

Interest income

Interest income from debt instruments is recognized using effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instruments but does not consider the expected credit losses.

o) Cost recognition

Costs and expenses are recognized when incurred and have been classified according to their nature. The costs of the Company are broadly categorized in to material consumption, cost of trading goods, employee benefit expenses, depreciation and amortization, other operating expenses and finance cost. Employee benefit expenses include employee compensation, gratuity, leave encashment, contribution to various funds and staff welfare expenses. Other expenses broadly comprise manufacturing expenses, administrative expenses and selling and distribution expenses.

p) Derivatives

The derivative contracts to hedge risks which are not designated as hedges are accounted at fair value through profit or loss and are included in profit and loss account.

q) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

r) Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment loss, if any in accordance with Ind-AS 16. The Company reviews the fair value with sufficient frequency to ensure that the carrying amount does not differ materially from its fair value.

Cost excludes CENVAT credit, sales tax, service tax credit, Input credit under GST and such other levies / taxes. Depreciation on assets is claimed on such 'reduced' cost. All items of repairs and maintenance are recognized in the statement of profit and loss, except those meet the recognition principle as defined in Ind-AS 16 Any revaluation of an asset is recognized in other comprehensive income and shown as revaluation reserves in other equity

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation/Amortisation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line basis at the rates arrived at based on the useful lives prescribed in Schedule II of the Companies Act, 2013. The company follows the policy of charging depreciation on pro-rata basis on the assets acquired or disposed off during the year. Leasehold assets are amortised over the period of lease.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses on disposal are determined by comparing proceeds with carrying amount.

s) Intangible assets

i) Recognition

Intangible assets are recognized only when future economic benefits arising out of the assets flow to the enterprise and are amortised over their useful life. Intangible assets purchased are measured at cost or fair value as of the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any.

SHREE GLOBAL TRADEFIN LIMITED

ii) Amortization methods and periods

The Company amortizes intangible assets on a straight line method over their estimated useful life not exceeding 5 years. Software is amortised over a period of three years.

iii) Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all of intangible assets recognized as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

t) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

u) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss.

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognized in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instrument issued.

v) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset as defined in Ind-AS 23 are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization. Any related foreign currency fluctuations on account of qualifying asset under construction is capitalized and added to the cost of asset concerned. Other borrowing costs are expensed as incurred.

w) Employee benefits

i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations.

Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity; and
- (b) Defined contribution plans such as provident fund.

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss.

Defined contribution plans

The company pays provident fund contributions to publicly administered funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

iv) Bonus plans

The Company recognizes a liability and an expense for bonuses. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

x) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

y) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

z) Earnings per share**i) Basic earnings per share:**

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company.
- By the weighted average number of equity shares outstanding during the financial year.

ii) Diluted earnings per share:

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

aa) Custom duty and its benefits

Customs Duty payable on imported raw materials, components and stores and spares is recognized to the extent assessed by the customs department.

Customs duty entitlement eligible under pass book scheme / DEPB is accounted on accrual basis. Accordingly, import duty benefits against exports effected during the year are accounted on estimate basis as incentive till the end of the year in respect of duty free imports of raw material yet to be made.

ab) The Treatment of expenditure during construction period

All expenditure and interest cost during the project/ asset construction period, are accumulated and shown as Capital Work-in- Progress until the project/assets commences commercial production. Assets under construction are not depreciated. Expenditure/Income arising out of trial run is part of pre-operative expenses included in Capital Work-in-Progress.

SHREE GLOBAL TRADEFIN LIMITED

ac) Fair value measurement

The Company reviews the fair value of Land with sufficient frequency to ensure that the carrying amount does not differ materially from its fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company uses valuation techniques that are appropriate in circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant absorbable inputs and minimizing the use of un-absorbable inputs. External valuers are appointed for valuing land. The selection criteria for these valuers include market knowledge, reputation, independence and whether professional standards are maintained.

ad) Amortization of expenses

i) Equity Issue expenses:

Expenditure incurred in equity issue is being treated as Deferred and Revenue Expenditure to be amortised over a period of 10 years;

ii) Debenture Issue Expenses:

Debenture Issue expenditure is amortised over the period of 10 years.

iii) Deferred Revenue Expenses:

Deferred Revenue expenses are amortised over a period of 5 years.

ae) Research and development expenses

Research and Development costs (other than cost of fixed assets acquired) are expensed in the year in which they are incurred.

af) Investment in Associates:

Investments in associates are recognized at fair value.

ag) Accounting for Provisions, Contingent Liabilities & Contingent Assets

In conformity with Ind-AS 37, 'Provisions, Contingent Liabilities and Contingent Assets', issued by the ICAI. A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date.

These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. A contingent asset is neither recognised nor disclosed in financial statements.

ah) Provision for doubtful debts

The management reviews on a periodical basis the outstanding debtors with a view to determine as to whether the debtors are good, bad or doubtful after taking into consideration all the relevant aspects. On the basis of such review and in pursuance of other prudent financial considerations the management determines the extent of provision to be made in the accounts.

ai) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupee as per the requirement of Schedule III, unless otherwise stated.

3. Critical estimates and Judgments

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected. Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities.

Impairment of Investments

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

26. Disclosure as required by the Ind AS -19 "Employee Benefit" is given below:

Defined benefit plan: The Company operates one defined benefit plan, viz., gratuity benefit, for its employees. The Gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days basic salary payable for each completed year of service. The company does not have any fund for gratuity liability and the same is accounted for as provision.

Under the other long term employee benefit plan, the company extends benefit of compensated absences to the employees, whereby they are eligible to carry forward their entitlement of earned leave for encashment upon retirement / separation or during tenure of service. The Plan is not funded by the company.

The details of defined benefit obligations are as under:

(Gain) / loss from change in experience assumptions	(2.23)	(2.42)
Total	1.32	0.48

Due to its defined benefit plans, the Company is exposed to the following significant risks:

Changes in bond yields - A decrease in bond yields will increase plan liability.

Salary risk - The present value of the defined benefit plans liability is calculated by reference to the future salaries of the plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Existing assumptions:

Sr. No.	Particulars	Gratuity	
		As at 31 st March, 2021	As at 31 st March, 2020
1.	Discount rate	6.50%	6.80%
2.	Rate of salary increase	5.50%	5.50%
3.	Withdrawal rate	1.00%	1.00%
4.	Mortality rate	Indian Assured Lives (2012-14)	Indian Assured Lives (2006-08)
5.	Retirement age	60 Years	62 Years

Note: The Company regularly assesses these assumptions with the projected long-term plans and prevalent industry standards.

The impact of sensitivity due to changes in the significant actuarial assumptions on the defined benefit obligations is given in the table below:

Particulars	Change in assumption	As at 31 st March, 2021		As at 31 st March, 2020	
		Gratuity	Compensated Absence	Gratuity	Compensated Absence
Discount Rate	+1%	38.38	5.66	37.67	6.36
	-1%	44.57	6.62	43.74	7.58
Salary Growth Rate	+1%	44.57	6.62	43.75	7.58
	-1%	38.32	5.66	37.61	6.34
Withdrawal Rate	+1%	41.34	6.12	40.58	6.94
	-1%	41.28	6.11	40.49	6.91

The above sensitivity analysis is determined based on a method that extrapolates the impact on the net defined benefit obligations, as a result of reasonable possible changes in the significant actuarial assumptions. Further, the above sensitivity analysis is based on a reasonably possible change in a particular under-lying actuarial assumption, while assuming all other assumptions to be constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated.

The table below summarizes the maturity profile and duration of the gratuity liability:

(₹ in Lakhs)

27. Financial instrument and risk management

Fair values

- The carrying amounts of trade payables, other financial liabilities (current), borrowings (current), trade receivables, cash and cash equivalents, other bank balances and loans are considered to be the same as fair value due to their short term nature.
- Borrowings (non-current) consists of loans from banks and government authorities, other financial liabilities (non-current) consists of interest accrued but not due on deposits other financial assets consists of employee advances where the fair value is considered based on the discounted cash flow.

SHREE GLOBAL TRADEFIN LIMITED

3. The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates, currency basis spreads between the respective currencies and interest rate curves.

The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments:

28. Financial risk and capital risk management

1) Financial Risk

The business activities of the Company expose it to a variety of financial risks, namely market risks (that is, foreign exchange risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's risk management strategies focus on the un-predictability of these elements and seek to minimise the potential adverse effects on its financial performance.

The financial risk management for the Company is driven by the Company's senior management and internal/external experts subject to necessary supervision.

The Company does not undertake any speculative transactions either through derivatives or otherwise. The senior management is accountable to the Board of Directors and Audit Committee. They ensure that the Company's financial risk-taking activities are governed by appropriate financial risk governance frame work, policies and procedures. The Board of Directors periodically reviews the exposures to financial risks, and the measures taken for risk mitigation and the results thereof.

2) Foreign currency Risk

Foreign exchange risk arises on all recognised monetary assets and liabilities and on highly probable forecasted transactions which are denominated in a currency other than the functional currency of the Company. The Company does not have any foreign currency trade payables and receivables.

The foreign exchange risk management policy of the Company requires it to manage the foreign exchange risk by transacting as far as possible in the functional currency.

No Forward contracts were entered into by the company either during the year or previous years since the company has very minimum exposure to foreign currency risk as stated in above table.

i. Price risk

The company uses surplus fund in operations and for further growth of the company. Hence, there is no price risk associated with such activity.

ii. Credit risk

Credit risk refers to the risk of default on its obligation by the counter-party the risk of deterioration of creditworthiness of the counter-party as well as concentration risks of financial assets, and thereby exposing the Company to potential financial losses. The Company is exposed to credit risk mainly with respect to trade receivables.

Trade receivables

The Trade receivables of the Company are typically non interest bearing un-secured. As there is no independent credit rating of the customers available with the Company, the management reviews the credit-worthiness of its customers based on their financial position, past experience and other factors. The credit risk related to the trade receivables is managed / mitigated by concerned team based on the Company's established policy and procedures and by setting appropriate payment terms and credit period. The credit period provided by the Company to its customers depend upon the contractual terms with the customers.

The ageing analysis of trade receivables as at the reporting date is as follows:

(₹ in Lakhs)

Particulars	Less than six months	More than six months
Trade Receivables as at March 31, 2021	-	-
Trade Receivables as at March 31, 2020	59.74	-

The Company performs on-going credit evaluations of its customers' financial condition and monitors the credit-worthiness of its customers to which it grants credit in its ordinary course of business. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amount due or there are some disputes which in the opinion of the management is not in the Company's favour. Where the financial asset has been written-off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit and loss.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Accordingly, as a prudent liquidity risk management measure, the Company closely monitors its liquidity position and deploys a robust cash management system.

Based on past performance and current expectations, the Company believes that the Cash and cash equivalents and cash generated from operations will satisfy its working capital needs, capital expenditure, investment requirements, commitments and other liquidity requirements associated with its existing operations, through at least the next twelve months.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:-

c) Capital Risk

The Company's objective while managing capital is to safeguard its ability to continue as a going concern (so that it is enabled to provide returns and create value for its shareholders, and benefits for other stakeholders), support business stability and growth, ensure adherence to the covenants and restrictions imposed by lenders and/ or relevant laws and regulations, and maintain an optimal and efficient capital structure so as to reduce the cost of capital. However, the key objective of the Company's capital management is to, ensure that it maintains a stable capital structure with the focus on total equity, uphold investor; creditor and customer confidence, and ensure future development of its business activities. In order to maintain or adjust the capital structure, the Company may issue new shares, declare dividends, return capital to shareholders, etc.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

INDEPENDENT AUDITORS REPORT

To The Members Of M/s Shree Global Tradefin Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Statement of Consolidated Ind AS Financial Statements of **M/S Shree Global Tradefin Limited**, (hereinafter referred to as the "Holding Company") and its associate which comprise the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss and Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash flows for the year then ended, and Notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company and its associate as at 31st March, 2021, its consolidated profit and other comprehensive income, its consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Holding Company and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
1) Evaluation of Contingent Liabilities	
<p>(Refer Note 32 of the Consolidated Financial Statements)</p> <p>Claims against the company not acknowledged as debts are disclosed in Consolidated Financial Statements. Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Holding Company’s Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the Consolidated Financial Statements and our auditor’s report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company’s Management and Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Holding Company including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.

The respective Board of Directors of the Holding Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Holding Company and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the Holding Company and its associate are responsible for assessing the ability of the Holding Company and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Holding Company or to cease operations, or has no realistic alternative but to do so.

The respective Management and Board of Directors of the Holding Company and of its associate are responsible for overseeing the financial reporting process of the Holding Company and of its Associate.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

SHREE GLOBAL TRADEFIN LIMITED

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Group has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Holding Company and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the

independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current year and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We had conducted the audit of Financial Statements of an associate, i.e., Indrajit Properties Private Limited whose financial statements/ financial information reflect total net profit of Rs. 338.11 Lakhs as at 31st March, 2021, as considered in the Consolidated Financial Statements.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Company has no branch office and hence the company is not required to conduct audit under section 143 (8) of the Act;
- (d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash flow statement, and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account for the purpose of preparation of the Consolidated Financial Statements;
- (e) In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014, except for

- the matters covered in Emphasis of Matter paragraph;
- (f) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2021 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations as on 31st March, 2021 on the consolidated financial position of the Holding Company and its associate. (Refer Note 32 to the Consolidated Financial Statements)
 - ii. The Holding Company has made provisions, as required under the applicable law or Indian Accounting Standards (Ind AS), for material foreseeable losses, and as required on long-term contracts including derivative contracts as per Notes to the Consolidated Financial Statements.
 - iii. The Holding Company is not required to transfer any amount to the Investor Education and Protection Fund by the Holding Company.

SHREE GLOBAL TRADEFIN LIMITED

Annexure – A to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of M/S Shree Global Tradefin Limited (hereinafter referred to as the “Holding Company”) and its associate for the year ended 31st March, 2021, in conjunction with our audit of the Consolidated Financial Statements of the Holding Company for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its Associate has, which are companies incorporated in India, have, in all material respects, adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal financial controls over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company and its Associate Company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its Associate, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls

with reference to Consolidated Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial with reference to Consolidated Financial Statements

The Holding Company’s internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. The Holding Company’s internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Holding Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Holding Company are being made only in accordance with authorizations of management and directors of the Holding Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Holding Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SHREE GLOBAL TRADEFIN LIMITED**Notes to Consolidated Financial Statements for the year ended 31st March 2021.****1. Background**

Shree Global Tradefin Limited was incorporated in 1986 having its registered office at 35, Ashok Chambers, Broach Street, Devji Ratansey Marg, Masjid Bunder, Mumbai 400009. The Company is engaged into the trading of iron and steel.

2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these Consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation

- i. These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- ii. Historical cost convention the consolidated financial statements have been prepared on a historical cost basis, except for the following:
 - Certain financial assets and liabilities that are measured at fair value;
 - Defined benefit plans – plan assets measured at fair value;

b) Basis of Consolidation

The consolidated financial statements relate to the Company, its Subsidiary companies, Associate companies and Jointly controlled entities (collectively referred hereinunder as the "Group"). The consolidated financial statements have been prepared on the following basis:

The financial statements of the Group Companies are consolidated on a line-by-line basis and intra-group

balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

c) Other Significant Accounting Policies

These are set out under "Significant Accounting Policies" as given in the Company's standalone financial statements.

3. Critical estimates and Judgments

The preparation of these Consolidated financial statement in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the Consolidated financial statement and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected. Key sources of estimation of uncertainty at the date of the Consolidated financial statement, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities..

Impairment of Investments

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Nature and Purpose

General Reserve

General Reserve is used from time to time to transfer profits from Retained Earnings for appropriation purposes. As the General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to statement of profit and loss.

SHREE GLOBAL TRADEFIN LIMITED

Securities Premium

Securities Premium Reserve is used to record the premium on issue of shares and is utilised in accordance with the provisions of the Companies Act, 2013.

Capital Reserve

Capital Reserve is arising out of scheme of arrangement between Ragini Trading & Investments Limited and Parishram Properties Private Limited and Shree Global Tradefin Limited and Pragma Realty Developers Private Limited and their respective Shareholders & Creditors.

Retained Earnings

Retained Earnings are the profits of the Company earned till date net of appropriations.

Other Comprehensive Income

This reserve represents the cumulative gains and losses arising on revaluation of equity instruments measured at fair value through other comprehensive income, net of amounts reclassified to retained earnings when those assets are disposed of and remeasurement of defined benefit plan.

26. Disclosure as required by the Ind AS -19 "Employee Benefit" is given below:

Defined benefit plan: The Company operates one defined benefit plan, viz., gratuity benefit, for its employees. The Gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days basic salary payable for each completed year of service. The company does not have any fund for gratuity liability and the same is accounted for as provision.

Under the other long term employee benefit plan, the company extends benefit of compensated absences to the employees, whereby they are eligible to carry forward their entitlement of earned leave for encashment upon retirement / separation or during tenure of service. The Plan is not funded by the company.

The details of defined benefit obligations are as under:

(Gain) / loss from change in experience assumptions	(2.23)	(2.42)
Total	1.32	0.48

Due to its defined benefit plans, the Company is exposed to the following significant risks:

Changes in bond yields - A decrease in bond yields will increase plan liability.

Salary risk - The present value of the defined benefit plans liability is calculated by reference to the future salaries of the plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Existing assumptions:

Sr. No.	Particulars	Gratuity	
		As at 31 st March, 2021	As at 31 st March, 2020
1.	Discount rate	6.50%	6.80%
2.	Rate of salary increase	5.50%	5.50%
3.	Withdrawal rate	1.00%	1.00%
4.	Mortality rate	Indian Assured Lives (2012-14)	Indian Assured Lives (2006-08)
5.	Retirement age	60 Years	62 Years

Note: The Company regularly assesses these assumptions with the projected long-term plans and prevalent industry standards.

The impact of sensitivity due to changes in the significant actuarial assumptions on the defined benefit obligations is given in the table below:

Particulars	Change in assumption	As at 31 st March, 2021		As at 31 st March, 2020	
		Gratuity	Compensated Absence	Gratuity	Compensated Absence
Discount Rate	+1%	38.38	5.66	37.67	6.36
	-1%	44.57	6.62	43.74	7.58
Salary Growth Rate	+1%	44.57	6.62	43.75	7.58
	-1%	38.32	5.66	37.61	6.34
Withdrawal Rate	+1%	41.34	6.12	40.58	6.94
	-1%	41.28	6.11	40.49	6.91

The above sensitivity analysis is determined based on a method that extrapolates the impact on the net defined benefit obligations, as a result of reasonable possible changes in the significant actuarial assumptions. Further, the above sensitivity analysis is based on a reasonably possible change in a particular under-lying actuarial assumption, while assuming all other assumptions to be constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated.

The table below summarizes the maturity profile and duration of the gratuity liability:

27. Financial instrument and risk management

Fair values

- The carrying amounts of trade payables, other financial liabilities (current), borrowings (current), trade receivables, cash and cash equivalents, other bank balances and loans are considered to be the same as fair value due to their short term nature.
- Borrowings (non-current) consists of loans from banks and government authorities, other financial liabilities (non-current) consists of interest accrued but not due on deposits other financial assets consists of employee advances where the fair value is considered based on the discounted cash flow.

3. The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates, currency basis spreads between the respective currencies and interest rate curves.

The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments:

28. Financial risk and capital risk management

1) Financial Risk

The business activities of the Company expose it to a variety of financial risks, namely market risks (that is, foreign exchange risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's risk management strategies focus on the un-predictability of these elements and seek to minimise the potential adverse effects on its financial performance.

The financial risk management for the Company is driven by the Company's senior management and internal/external experts subject to necessary supervision.

The Company does not undertake any speculative transactions either through derivatives or otherwise. The senior management is accountable to the Board of Directors and Audit Committee. They ensure that the Company's financial risk-taking activities are governed by appropriate financial risk governance frame work, policies and procedures. The Board of Directors periodically reviews the exposures to financial risks, and the measures taken for risk mitigation and the results thereof.

2) Foreign currency Risk

Foreign exchange risk arises on all recognised monetary assets and liabilities and on highly probable forecasted transactions which are denominated in a currency other than the functional currency of the Company. The Company does not have any foreign currency trade payables and receivables.

The foreign exchange risk management policy of the Company requires it to manage the foreign exchange risk by transacting as far as possible in the functional currency.

No Forward contracts were entered into by the company either during the year or previous years since the company has very minimum exposure to foreign currency risk as stated in above table.

i. Price risk

The company uses surplus fund in operations and for further growth of the company. Hence, there is no price risk associated with such activity.

SHREE GLOBAL TRADEFIN LIMITED

ii. Credit risk

Credit risk refers to the risk of default on its obligation by the counter-party the risk of deterioration of creditworthiness of the counter-party as well as concentration risks of financial assets, and thereby exposing the Company to potential financial losses. The Company is exposed to credit risk mainly with respect to trade receivables.

Trade receivables

The Trade receivables of the Company are typically non-interest bearing un-secured. As there is no independent credit rating of the customers available with the Company, the management reviews the credit-worthiness of its customers based on their financial position, past experience and other factors. The credit risk related to the trade receivables is managed / mitigated by concerned team based on the Company's established policy and procedures and by setting appropriate payment terms and credit period. The credit period provided by the Company to its customers depend upon the contractual terms with the customers.

The ageing analysis of trade receivables as at the reporting date is as follows:

(₹ in Lakhs)

Particulars	Less than six months	More than six months
Trade Receivables as at March 31, 2021	-	-
Trade Receivables as at March 31, 2020	59.74	-

The Company performs on-going credit evaluations of its customers' financial condition and monitors the credit-worthiness of its customers to which it grants credit in its ordinary course of business. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amount due or there are some disputes which in the opinion of the management is not in the Company's favour. Where the financial asset has been written-off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit and loss.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Accordingly, as a prudent liquidity risk management measure, the Company closely monitors its liquidity position and deploys a robust cash management system.

Based on past performance and current expectations, the Company believes that the Cash and cash equivalents and cash generated from operations will satisfy its working capital needs, capital expenditure, investment requirements, commitments and other liquidity requirements associated with its existing operations, through at least the next twelve months.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:-

c) Capital Risk

The Company's objective while managing capital is to safeguard its ability to continue as a going concern (so that it is enabled to provide returns and create value for its shareholders, and benefits for other stakeholders), support business stability and growth, ensure adherence to the covenants and restrictions imposed by lenders and/ or relevant laws and regulations, and maintain an optimal and efficient capital structure so as to reduce the cost of capital. However, the key objective of the Company's capital management is to, ensure that it maintains a stable capital structure with the focus on total equity, uphold investor; creditor and customer confidence, and ensure future development of its business activities. In order to maintain or adjust the capital structure, the Company may issue new shares, declare dividends, return capital to shareholders, etc.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.
